PROJECTS

School Website
Developed a user-friendly website for a local school, enhancing communication and engagement for students, parents, and staff.

Portfolio
This site is designed to showcase my skills, projects, and journey as a web developer. Implemented modern web technologies including HTML, CSS, JavaScript, and React Js.

Some mini projects like:-

- Rest Countries(dynamically fetch and display detailed information about countries using API)		- Todo Box
- Color Picker	- Random Password Generator	- Quiz Project
